AND GENOMICS  
RESEARCH CENTER

Did you know  
vapes are just  
as addictive as  
cigarettes?

---

One Juul contains the same amount of  
nicotine as in an entire pack of  
cigarettes.

Vaping can lead to **lung disease**, which has hospitalized 2,807 people in the United States as of February 2020, as well as resulted in the death of 68 individuals.
